

DRIVING TO MANAGUA, NICARAGUA?

It's a thrilling adventure to travel the Pan-American Highway through Mexico, Guatemala, El Salvador, Honduras, and Nicaragua . . . but you'll want to know the best and the worst about auto and trailer travel in Central America - - -
BEFORE you leave!!

Full information about planning your trip, the rainy and dry season, places to stay enroute, maps, licenses, visas, international border requirements, traffic regulations, places of interest, expenses, etc., also a map of the route and many photographs of the highway .. Guidebook sent postpaid \$1.
